INSTRUCTOR QUALIFICATIONS (may attach a separate page if necessary): Bachelor of Arts/ Communications Grand Valley State University—I am a teaching artist working in drawing, photography, paper arts and pottery. In teaching, I work with various materials and learn different processes regularly in order to expand my creative vocabulary and offer as many different forms of expression to my students as possible. I believe that the process, and the journey through the process are much more important than the end result. I adapt each project, in order to make the process accessible to every participant.
