Dear Parents and Guardians,

The Berrien County Health Department will be hosting a COVID-19 vaccine event on Wednesday, June 2, 2021, at the Berrien County Youth Fairgrounds. All three types of vaccines will be available. Walk-ins are welcome. The clinic is for ages 12 and older. For those under the age of 18, parental consent will be required to receive the vaccine. In addition, the BCHD will be giving out to the first 400 people a \$5.00 coupon for delicious fair food to enjoy after their vaccine. Food vendors will be onsite that day.

If you need additional information, please contact the Berrien County Health Department at (269) 926-7121.

Sincerely,

A handwritten signature in cursive script that reads "David Eichberg".
