District Communications**Transition to Remote Learning**

Dear Staff, Parents and Guardians,

Please remember that starting tomorrow, Monday, November 30 that all Berrien Springs Public Schools students in grades PreK-12 are transitioning to remote learning. All students will be learning from home through Friday, December 18. Schedules for daily learning have been communicated by teachers and principals previously. Students with an IEP may be scheduled for in-person learning during the remote learning period.

Please help our teachers by discussing your daily expectations for learning with your child or children. If you have a lack of Internet connectivity or broadband service please contact your child's building principal. They may have some options available for your child's remote learning. Thank you for your continued support and trust in Berrien Springs Public Schools!

Sincerely,

David Eichberg, Superintendent
